Sec. 2-2. Inspection; seizure; impoundment.

(a) Agents of the Department or other duly authorized police officers may stop and inspect any snowmobile at any time for the purpose of determining if the provisions of this Act are being complied with. If the inspecting officer or agent discovers any violation of the provisions of this Act, he must issue a summons to the operator of such snowmobile requiring that the operator appear before the circuit court for the county within which the offense was committed.

(b) Every snowmobile subject to this Act, if under way

The snowmobile may be released by the arresting law enforcement agency without impoundment, or may be released prior to the end of the impoundment period, however, if:

(1) the snowmobile was not owned by the person under arrest, and the lawful owner requesting release of the snowmobile possesses proof of ownership, and would not, as determined by the arresting law enforcement agency: (i) indicate a lack of ability to operate a snowmobile in a safe manner, or (ii) otherwise, by operating the snowmobile, be in violation of this Act; or

(2) the snowmobile is owned by the person under arrest, and the person under arrest gives permission to

(625 ILCS 40/5-7.1)

Sec. 5-7.1. Implied consent.

(a) A person who operates or is in actual physical control of a snowmobile in this State is deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, or other drug or drugs, intoxicating compound or compounds, or a combination of them in ~~content of~~ that person's blood if arrested for a violation of Section 5-7. The chemical test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(a-1) For the purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 5-7 may travel into an adjoining state, where the person has been transported for medical care to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a uniform citation for an offense as defined in Section 5-7 or a similar provision of a local ordinance prior

to requesting that the person submit to the test or tests.  
The issuance of the uniform citation shall not constitute an  
arrest, but shall be for the purpose of notifying the person  
that he or she is subject to the provisions of this Section  
and of the officer's belief of the existence of probable  
cause to arrest. Upon returning to this State, the officer  
shall file the uniform citation with the circuit clerk of the  
county where the offense was committed and shall seek the  
issuance of an arrest warrant or a summons for the person.

(a-2) Notwithstanding any ability to refuse under this  
Act to submit to these tests or any ability to revoke the  
implied consent to these tests, if a law enforcement officer  
has probable cause to believe that a snowmobile operated by  
or under actual physical control of a person under the  
influence of alcohol, other drug or drugs, intoxicating  
compound or compounds, or any combination of them has caused  
the death or personal injury to another, that person shall  
submit, upon the request of a law enforcement officer, to a  
chemical test or tests of his or her blood, breath, or urine  
for the purpose of determining the alcohol content or the  
presence of any other drug or combination of both. For the  
purposes of this Section, a personal injury includes severe  
bleeding wounds, distorted extremities, and injuries that  
require the injured party to be carried from the scene for  
immediate professional attention in either a doctor's office  
or a medical facility.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, is deemed not to have withdrawn the consent provided in subsection (a), and the test or tests may be administered.

(c) A person requested to submit to a test as provided in this Section shall be verbally advised by the law enforcement officer requesting the test that a refusal to submit to the test will result in suspension of that person's

privilege to operate a snowmobile for a minimum of 2 years.

(d) Following this warning, if a person under arrest refuses upon the request of a law enforcement officer to submit to a test designated by the officer, no tests test may be given, but the law enforcement officer shall file with the clerk of the circuit court for the county in which the arrest was made, and with the Department of Natural Resources, a sworn statement naming the person refusing to take and complete the chemical test or tests requested under the provisions of this Section. The sworn statement shall identify the arrested person, the person's current residence address and shall specify that a refusal by that person to take the chemical test or tests was made. The sworn statement shall include a statement that the officer had reasonable cause to believe the person was operating or was in actual physical control of the snowmobile within this State while under the influence of alcohol, or other drug or drugs, an intoxicating compound or compound, or a combination of them and that a chemical test or tests were requested as an incident to and following the lawful arrest for an offense as defined in Section 5-7 or a similar provision of a local ordinance, and that the person, after being arrested for an offense arising out of acts alleged to have been committed while operating a snowmobile, refused to submit to and complete a chemical test or tests as requested by the law enforcement officer.

(e) The law enforcement officer submitting the sworn statement shall serve immediate written notice upon the person refusing the chemical test or tests that the person's privilege to operate a snowmobile within this State will be suspended for a period of 2 years unless, within 28 days from the date of the notice, the person requests in writing a hearing on the suspension. ~~The clerk shall notify the person in writing that the person's privilege to operate a~~

~~snowmobile-will-be-suspended-for-a-minimum-of-2-years-unless,  
within-28-days-from-the-date-of-mailing-of-the--notice,--that  
person-requests-a-hearing-in-writing.~~

If the person desires a hearing, the person shall file a complaint in the circuit court in the county where that person was arrested within 28 days from the date of mailing of the notice. The hearing shall proceed in the court in the same manner as other civil proceedings. The hearing shall cover only the following issues: (1) whether the person was placed under arrest for an offense as defined in Section 5-7 or a similar provision of a local ordinance as evidenced by the issuance of a uniform citation; (2) whether the arresting officer had reasonable grounds to believe that the person was operating a snowmobile while under the influence of alcohol, ~~or~~ other drug or drugs, an intoxicating compound or compounds, or a combination of them; and (3) whether that person refused to submit to and complete the chemical test or tests upon the request of the law enforcement officer. Whether the person was informed that the person's privilege to operate a snowmobile would be suspended if that person refused to submit to the chemical test or tests may not be an issue in the hearing.

If the person fails to request a hearing in writing within 28 days of the date of the notice, or if a hearing is held and the court finds against the person on the issues before the court, the clerk shall immediately notify the Department of Natural Resources ~~Conservation-of--the--court's~~ decision, and the Department shall suspend the snowmobile operation privileges of that person for at least 2 years.

(f) (Blank) ~~If-the-person-fails-to-request-a-hearing--in writing--within-28-days-of-the-date-of-mailing-of-the-notice,  
the--clerk--shall--immediately--notify--the--Department---of Conservation--that--no--request--for--a--hearing-was-received within-the-statutory-time-period,--and--the--Department--shall~~

~~suspend--the--snowmobile--operation-privileges-of-that-person  
for-at-least-2-years.~~

(f-1) If the person submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act, the law enforcement officer shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources, certifying that the test or tests was or were requested under subsection (a-1) of this Section and the person submitted to testing that disclosed an alcohol concentration of 0.08 or more.

In cases where the blood alcohol concentration of 0.08 or greater or any amount of drug, substance, or compound resulting from the unlawful use of cannabis, a controlled substance, or an intoxicating compound is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources upon receipt of the test results.

(g) A person must submit to each chemical test offered by the law enforcement officer in order to comply with implied consent provisions of this Section.

(h) The provision of Section 11-501.2 of the Illinois Vehicle Code concerning the certification and use of chemical tests applies to the use of those tests under this Section.

Sec. 5-7.2. Chemical and other tests.

(a) Upon the trial of a civil or criminal action or proceeding arising out of acts alleged to have been committed while under the influence of alcohol, the concentration of alcohol in the person's blood or breath at the time alleged as shown by analysis of the person's blood, urine, breath, or other bodily substance gives rise to the presumptions specified in subdivisions 1, 2, and 3 of subsection (b) of Section 11-501.2 of the Illinois Vehicle Code.

(b) The provisions of subsection (a) shall not be construed as limiting the introduction of any other relevant evidence bearing upon the question whether the person was under the influence of alcohol.

(c) If a person under arrest refuses to submit to a chemical test under the provisions of Section 5-7.1, evidence of refusal is admissible in a civil or criminal action or proceeding arising out of acts alleged to have been committed while the person under the influence of alcohol, or other drug or drugs, an intoxicating compound or compounds, or a combination of them was operating a snowmobile.

(a) The owner of a snowmobile or person given supervisory authority over a snowmobile, may not knowingly permit a snowmobile to be operated by a person under the influence of alcohol, other drug or drugs, an intoxicating compound or compounds, or a combination of them.

(b) Whenever a person is convicted or found guilty of a violation of Section 5-7, including any person placed on court supervision, the court shall notify the Office of Law Enforcement of the Department of Natural Resources with the records essential for the performance of the Department's

(625 ILCS 40/5-7.4)

Sec. 5-7.4. Admissibility of chemical tests of blood conducted in the regular course of providing emergency medical treatment ~~alcohol-tests~~.

(a) Notwithstanding any other provision of law, the ~~written~~ results of blood ~~alcohol~~ tests performed for the purpose of determining the content of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination of them in an individual's blood conducted upon persons receiving medical treatment in a hospital emergency room, are admissible in evidence as a business record exception to the hearsay rule only in prosecutions for a violation of Section 5-7 of this Act or a similar provision of a local ordinance or in prosecutions for reckless homicide brought under the Criminal Code of 1961.

The results of the tests are admissible only when each of the following criteria are met:

1. The chemical tests performed upon an individual's blood were ordered in the regular course of providing emergency treatment and not at the request of law enforcement authorities; and ~~The blood-alcohol-tests were--ordered--by--a--physician--on--duty-at-the-hospital emergency-room-and-were-performed-in-the--regular--course of--providing--emergency--medical--treatment--in-order-to assist-the-physician-in-diagnosis-or-treatment;~~

2. The chemical tests performed upon an individual's blood were performed by the laboratory routinely used by the hospital. ~~The blood-alcohol-tests were performed by the hospital's own laboratory; and~~

Sec. 5-7.5. Preliminary breath screening test. If a law enforcement officer has reasonable suspicion ~~probable-cause~~ to believe that a person is violating or has violated Section 5-7 or a similar provision of a local ordinance, the officer, before an arrest, may request the person to provide a sample of his or her breath for a preliminary breath screening test using a portable device approved by the Department of State Police. require a chemical test, as authorized under Sections 5-7.1 and 5-7.2 and the appropriate type of test to request. Any chemical test authorized under Sections 5-7.1 and 5-7.2 may be requested by the officer regardless of the result of the preliminary breath screening test if probable cause for an arrest exists. The result of a preliminary breath screening test may be used by the defendant as evidence in an administrative or court proceeding involving a violation of Section 5-7 or 5-7.1.

Section 5. The Boat Registration and Safety Act is amended by changing Sections 2-2, 5-16, and 5-16a and adding Section 5-16a.1 as follows:

(625 ILCS 45/2-2) (from Ch. 95 1/2, par. 312-2)

Sec. 2-2. Inspection; removal; impoundment.

(a) Agents of the Department or other duly authorized police officers may board and inspect any boat at any time for the purpose of determining if this Act is being complied with. If the boarding officer or agent discovers any violation of this Act, he may issue a summons to the operator of the boat requiring that the operator appear before the circuit court for the county within which the offense was committed.

(b) Every vessel subject to this Act, if under way and upon being hailed by a designated law enforcement officer, must stop immediately and lay to.

(c) Agents of the Department and other duly authorized police officers may enforce all federal laws and regulations which have been mutually agreed upon by the federal and state governments and are applicable to the operation of watercraft on navigable waters and federal impoundments where concurrent jurisdiction exists between the federal and state governments.

(d) Agents of the Department and other duly authorized police officers may seize and impound, at the owner's or operator's expense, any watercraft involved in a boating

accident or a violation of Section 3A-21, 5-1, 5-2, or 5-16 of this Act.

(e) If a watercraft is causing a traffic hazard because of its position on a waterway or its physical appearance is causing the impeding of traffic, its immediate removal from the waterway by a towing service may be authorized by a law enforcement agency having jurisdiction.

(f) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 5-1, 5-2 or 5-16 of this Act or similar provision of a local ordinance, is likely, upon release, to commit a subsequent violation of Section 5-1, 5-2 or 5-16 or a similar provision of a local ordinance, the arresting officer shall have the watercraft which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of the arrest. The watercraft may be released by the arresting law enforcement agency without impoundment, or may be released prior to the end of the impoundment period, however, if:

(1) the watercraft was not owned by the person under arrest, and the lawful owner requesting release possesses proof of ownership, and would not, as determined by the arresting law enforcement agency: (i) indicate a lack of ability to operate a watercraft in a safe manner, or (ii) otherwise, by operating the watercraft, be in violation of this Act; or

(2) the watercraft is owned by the person under arrest, and the person under arrest gives permission to another person to operate the watercraft, and the other person would not, as determined by the arresting law enforcement agency: (i) indicate a lack of ability to operate a watercraft in a safe manner, or (ii) otherwise, by operating the watercraft, be in violation of this Act.

(625 ILCS 45/5-16)

Sec. 5-16. Operating a watercraft under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof.

(A) 1. A person shall not operate or be in actual physical control of any watercraft within this State while:

(a) The alcohol concentration in such person's blood or breath is a concentration at which driving a motor vehicle is prohibited under subdivision (1) of subsection (a) of Section 11-501 of the Illinois Vehicle Code;

(b) Under the influence of alcohol;

(c) Under the influence of any other drug or combination of drugs to a degree which renders such person incapable of safely operating any watercraft;

(c-1) Under the influence of any intoxicating compound or combination of intoxicating compounds to a degree that renders the person incapable of safely operating any watercraft;

(d) Under the combined influence of alcohol and any other drug or drugs to a degree which renders such person incapable of safely operating a watercraft; or

(e) There is any amount of a drug, substance, or compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed as-defined in the Cannabis Control Act, or a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act.

2. The fact that any person charged with violating this Section is or has been legally entitled to use

alcohol, ~~or~~ other drug or drugs, any intoxicating compound or compounds, or any combination of them ~~both~~, shall not constitute a defense against any charge of violating this Section.

3. Every person convicted of violating this Section shall be guilty of a Class A misdemeanor, except as otherwise provided in this Section.

4. Every person convicted of violating this Section shall be guilty of a Class 4 felony if:

(a) He has a previous conviction under this Section; ~~or~~

(b) The offense results in personal injury where a person other than the operator suffers great bodily harm or permanent disability or disfigurement, when the violation was a proximate cause of the injuries. A person guilty of a Class 4 felony under this subparagraph (b), if sentenced to a term of imprisonment, shall be sentenced to a term of not less than one year nor more than 12 years; or

(c) The offense occurred during a period in which his or her privileges to operate a watercraft are revoked or suspended, and the revocation or suspension was for a violation of this Section or was imposed under subsection (B).

5. Every person convicted of violating this Section shall be guilty of a Class 2 felony if the offense results in the death of a person. A person guilty of a Class 2 felony under this paragraph 5, if sentenced to a term of imprisonment, shall be sentenced to a term of not less than 3 years and not more than 14 years.

5.1. A person convicted of violating this Section or a similar provision of a local ordinance who had a child under the age of 16 aboard the watercraft at the time of offense is subject to a mandatory minimum fine of

\$500 and to a mandatory minimum of 5 days of community service in a program benefiting children. The assignment under this paragraph 5.1 is not subject to suspension and the person is not eligible for probation in order to reduce the assignment.

5.2. A person found guilty of violating this Section, if his or her operation of a watercraft while in violation of this Section proximately caused any incident resulting in an appropriate emergency response, is liable for the expense of an emergency response as provided under Section 5-5-3 of the Unified Code of Corrections.

5.3. In addition to any other penalties and liabilities, a person who is found guilty of violating this Section, including any person placed on court supervision, shall be fined \$100, payable to the circuit clerk, who shall distribute the money to the law enforcement agency that made the arrest. In the event that more than one agency is responsible for the arrest, the \$100 shall be shared equally. Any moneys received by a law enforcement agency under this paragraph 5.3 shall be used to purchase law enforcement equipment or to provide law enforcement training that will assist in the prevention of alcohol related criminal violence throughout the State. Law enforcement equipment shall include, but is not limited to, in-car video cameras, radar and laser speed detection devices, and alcohol breath testers.

6. (a) In addition to any criminal penalties imposed, the Department of Natural Resources shall suspend the watercraft operation privileges of any person convicted or found guilty of a misdemeanor under this Section for a period of one year, except that a first time offender is exempt from this mandatory one year suspension.

(b) In addition to any criminal penalties imposed, the Department of Natural Resources shall suspend the watercraft operation privileges of any person convicted of a felony under this Section for a period of 3 years.

(B) 1. Any person who operates or is in actual physical control of any watercraft upon the waters of this State shall be deemed to have given consent to a chemical test or tests of blood, breath or urine for the purpose of determining the content of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof in the content-of-such person's blood if arrested for any offense of subsection (A) above. The chemical test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

1.1. For the purposes of this Section, an Illinois Law Enforcement officer of this State who is investigating the person for any offense defined in Section 5-16 may travel into an adjoining state, where the person has been transported for medical care to complete an investigation, and may request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a uniform citation for an offense as defined in Section 5-16 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the uniform citation shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is

subject to the provisions of this Section and of the officer's belief in the existence of probable cause to arrest. Upon returning to this State, the officer shall file the uniform citation with the circuit clerk of the county where the offense was committed and shall seek the issuance of an arrest warrant or a summons for the person.

1.2. Notwithstanding any ability to refuse under this Act to submit to these tests or any ability to revoke the implied consent to these tests, if a law enforcement officer has probable cause to believe that a watercraft operated by or under actual physical control of a person under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination of them has caused the death of or personal injury to another, that person shall submit, upon the request of a law enforcement officer, to a chemical test or tests of his or her blood, breath, or urine for the purpose of determining the alcohol content or the presence of any other drug, intoxicating compound, or combination of them. For the purposes of this Section, a personal injury includes severe bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene for immediate professional attention in either a doctor's office or a medical facility.

2. Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusal, shall be deemed not to have withdrawn the consent provided above, and the test may be administered.

3. A person requested to submit to a chemical test as provided above shall be verbally advised by the law enforcement officer requesting the test that a refusal to submit to the test will result in suspension of such

person's privilege to operate a watercraft for a minimum of 2 years. Following this warning, if a person under arrest refuses upon the request of a law enforcement officer to submit to a test designated by the officer, no test none shall be given, but the law enforcement officer shall file with the clerk of the circuit court for the county in which the arrest was made, and with the Department of Natural Resources, a sworn statement naming the person refusing to take and complete the chemical test or tests requested under the provisions of this Section. Such sworn statement shall identify the arrested person, such person's current residence address and shall specify that a refusal by such person to take the chemical test or tests was made. Such sworn statement shall include a statement that the arresting officer had reasonable cause to believe the person was operating or was in actual physical control of the watercraft within this State while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof and that such chemical test or tests were made as an incident to and following the lawful arrest for an offense as defined in this Section or a similar provision of a local ordinance, and that the person after being arrested for an offense arising out of acts alleged to have been committed while so operating a watercraft refused to submit to and complete a chemical test or tests as requested by the law enforcement officer.

3.1. The law enforcement officer submitting the sworn statement as provided in paragraph 3 of this subsection (B) shall serve immediate written notice upon the person refusing the chemical test or tests that the person's privilege to operate a watercraft within this State will be suspended for a period of 2 years unless,

within 28 days from the date of the notice, the person requests in writing a hearing on the suspension.

The--clerk--shall--thereupon--notify--such--person--in writing--that--the--person's--privilege--to--operate--a watercraft--will--be--suspended--unless,--within--28--days--from the--date--of--mailing--of--the--notice,--such--person--shall request--in--writing--a--hearing--thereon; If the person desires a hearing, such person shall file a complaint in the circuit court for and in the county in which such person was arrested for such hearing. Such hearing shall proceed in the court in the same manner as other civil proceedings, shall cover only the issues of whether the person was placed under arrest for an offense as defined in this Section or a similar provision of a local ordinance as evidenced by the issuance of a uniform citation; whether the arresting officer had reasonable grounds to believe that such person was operating a watercraft while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof; and whether such person refused to submit and complete the chemical test or tests upon the request of the law enforcement officer. Whether the person was informed that such person's privilege to operate a watercraft would be suspended if such person refused to submit to the chemical test or tests shall not be an issue.

If the person fails to request in writing a hearing within 28 days from the date of notice, or if a hearing is held and the court finds against the person on the issues before the court, the clerk shall immediately notify the Department of Natural Resources ~~of the court's~~ decision, and the Department shall suspend the watercraft operation privileges of the person for at least 2 years.

3.2. If the person submits to a test that discloses

an alcohol concentration of 0.08 or more, or any amount of a drug, substance or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act, the law enforcement officer shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources, certifying that the test or tests were requested under paragraph 1 of this subsection (B) and the person submitted to testing that disclosed an alcohol concentration of 0.08 or more.

In cases where the blood alcohol concentration of 0.08 or greater or any amount of drug, substance or compound resulting from the unlawful use of cannabis, a controlled substance or an intoxicating compound is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources upon receipt of the test results.

4. A person must submit to each chemical test offered by the law enforcement officer in order to comply with the implied consent provisions of this Section.

5. The provisions of Section 11-501.2 of the Illinois Vehicle Code, as amended, concerning the certification and use of chemical tests apply to the use of such tests under this Section.

(C) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a watercraft while under the influence of alcohol, the concentration of alcohol in the person's blood or breath at the time alleged as shown by

analysis of a person's blood, urine, breath, or other bodily substance shall give rise to the presumptions specified in subdivisions 1, 2, and 3 of subsection (b) of Section 11-501.2 of the Illinois Vehicle Code. The foregoing provisions of this subsection (C) shall not be construed as limiting the introduction of any other relevant evidence bearing upon the question whether the person was under the influence of alcohol.

(D) If a person under arrest refuses to submit to a chemical test under the provisions of this Section, evidence of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person under the influence of alcohol, ~~or~~ other drug or drugs, intoxicating compound or compounds, or combination of them ~~both~~ was operating a watercraft.

(E) The owner of any watercraft or any person given supervisory authority over a watercraft, may not knowingly permit a watercraft to be operated by any person under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof.

(F) Whenever any person is convicted or found guilty of a violation of this Section, including any person placed on court supervision, the court shall notify the Office Division of Law Enforcement of the Department of Natural Resources, to provide the Department with the records essential for the performance of the Department's duties to monitor and enforce any order of suspension or revocation concerning the privilege to operate a watercraft.

(G) No person who has been arrested and charged for violating paragraph 1 of subsection (A) of this Section shall operate any watercraft within this State for a period of 24 6 hours after such arrest.

(5.2) In addition to any penalties imposed under paragraph (5) of this subsection (c), and except as provided in paragraph (5.3), a person convicted of violating subsection (c) of Section 11-907 of the Illinois Vehicle Code shall have his or her driver's license, permit, or privileges suspended for at least 180 days but not more than 2 years, if the violation resulted in injury to another person.

(5.3) In addition to any penalties imposed under paragraph (5) of this subsection (c), a person convicted of violating subsection (c) of Section 11-907 of the Illinois Vehicle Code shall have his or her driver's license, permit, or privileges suspended for 2 years, if the violation resulted in the death of another person.

(6) In no case shall an offender be eligible for a disposition of probation or conditional discharge for a Class 1 felony committed while he was serving a term of probation or conditional discharge for a felony.

(7) When a defendant is adjudged a habitual criminal under Article 33B of the Criminal Code of 1961, the court shall sentence the defendant to a term of natural life imprisonment.

(8) When a defendant, over the age of 21 years, is convicted of a Class 1 or Class 2 felony, after having twice been convicted in any state or federal court of an offense that contains the same elements as an offense now classified in Illinois as a Class 2 or greater Class felony and such charges are separately brought and tried and arise out of different series of acts, such defendant shall be sentenced as a Class X offender. This paragraph shall not apply unless (1) the first felony was committed after the effective date of this amendatory Act of 1977;

and (2) the second felony was committed after conviction on the first; and (3) the third felony was committed after conviction on the second. A person sentenced as a Class X offender under this paragraph is not eligible to apply for treatment as a condition of probation as provided by Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act.

(9) A defendant convicted of a second or subsequent offense of ritualized abuse of a child may be sentenced to a term of natural life imprisonment.

(10) When a person is convicted of violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the following penalties apply when his or her blood, breath, or urine was .16 or more based on the definition of blood, breath, or urine units in Section 11-501.2 or that person is convicted of violating Section 11-501 of the Illinois Vehicle Code while transporting a child under the age of 16:

(A) For a first violation of subsection (a) of Section 11-501, in addition to any other penalty that may be imposed under subsection (c) of Section 11-501: a mandatory minimum of 100 hours of community service and a minimum fine of \$500.

(B) For a second violation of subsection (a) of Section 11-501, in addition to any other penalty that may be imposed under subsection (c) of Section 11-501 within 10 years: a mandatory minimum of 2 days of imprisonment and a minimum fine of \$1,250.

(D) For a fourth or subsequent violation of

subsection (a) of Section 11-501: ineligibility for a sentence of probation or conditional discharge and a minimum fine of \$2,500.

(d) In any case in which a sentence originally imposed is vacated, the case shall be remanded to the trial court. The trial court shall hold a hearing under Section 5-4-1 of the Unified Code of Corrections which may include evidence of the defendant's life, moral character and occupation during the time since the original sentence was passed. The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(e) In cases where prosecution for criminal sexual assault or aggravated criminal sexual abuse under Section 12-13 or 12-16 of the Criminal Code of 1961 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense, the court shall consider the safety and welfare of the victim and may impose a sentence of probation only where:

(1) the court finds (A) or (B) or both are appropriate:

(A) the defendant is willing to undergo a court approved counseling program for a minimum duration of 2 years; or

(B) the defendant is willing to participate in a court approved plan including but not limited to the defendant's:

- (i) removal from the household;
- (ii) restricted contact with the victim;
- (iii) continued financial support of the family;
- (iv) restitution for harm done to the victim; and
- (v) compliance with any other measures that the court may deem appropriate; and

(2) the court orders the defendant to pay for the victim's counseling services, to the extent that the court finds, after considering the defendant's income and assets, that the defendant is financially capable of paying for such services, if the victim was under 18 years of age at the time the offense was committed and requires counseling as a result of the offense.

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

(f) This Article shall not deprive a court in other proceedings to order a forfeiture of property, to suspend or cancel a license, to remove a person from office, or to impose any other civil penalty.

(g) Whenever a defendant is convicted of an offense under Sections 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-18,

11-18.1, 11-19, 11-19.1, 11-19.2, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, the defendant shall undergo medical testing to determine whether the defendant has any sexually transmissible disease, including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall

order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(g-5) When an inmate is tested for an airborne communicable disease, as determined by the Illinois Department of Public Health including but not limited to tuberculosis, the results of the test shall be personally delivered by the warden or his or her designee in a sealed envelope to the judge of the court in which the inmate must appear for the judge's inspection in camera if requested by the judge. Acting in accordance with the best interests of those in the courtroom, the judge shall have the discretion to determine what if any precautions need to be taken to prevent transmission of the disease in the courtroom.

(h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide

the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(i) All fines and penalties imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(j) In cases when prosecution for any violation of Section 11-6, 11-8, 11-9, 11-11, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-17.1, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961, any violation of the Illinois Controlled Substances Act, or any violation of the Cannabis Control Act results in conviction, a disposition of court supervision, or an order of probation granted under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substance Act of a defendant, the court shall determine whether the defendant is employed by a facility or center as defined under the Child Care Act of 1969, a public or private elementary or secondary school, or otherwise works with children under 18 years of age on a daily basis. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If the

employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant

who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(k) A court may not impose a sentence or disposition for a felony or misdemeanor that requires the defendant to be implanted or injected with or to use any form of birth control.

(l) (A) Except as provided in paragraph (C) of subsection (l), whenever a defendant, who is an alien as defined by the Immigration and Nationality Act, is convicted of any felony or misdemeanor offense, the court after sentencing the defendant may, upon motion of the State's Attorney, hold sentence in abeyance and remand the defendant to the custody of the Attorney General of the United States or his or her designated agent to be deported when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or

his or her designated agent when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (1) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional good conduct credit for meritorious service as provided under Section 3-6-6.

(m) A person convicted of criminal defacement of property under Section 21-1.3 of the Criminal Code of 1961, in which the property damage exceeds \$300 and the property damaged is a school building, shall be ordered to perform community service that may include cleanup, removal, or painting over the defacement.
